At least half of our players have zero soccer experience. We balance the teams carefully. Our best players love to hot dog, but they also love to be a part of sharing soccer with ANYONE that just wants to try it out! Everyone improves whether it is as a player or as a leader among your peers. This is not a development program for advanced players. This program is about fitness, fun, laughter, sweat, play, and teamwork! Competition is important, and the students know the teams are carefully designed to tie!

Coaches are NEEDED! Coaches need to have enough soccer experience to understand the diverse needs and abilities of their players. Since this league is about playing (not practice) coaches have little opportunity to coach the skills of soccer. The coaches are more like facilitators for substitutions, sportsmanship, developing an inclusive team strategy, personal goal setting, and finding the teachable moments by connecting the game to our school values.

Please write check to Exploris Middle School (\$90)
